***Detailed Action***

***Response to Amendment***

1. Applicant's amendment and accompanying Remarks filed 1-16-06 have been entered and carefully considered.

The amendment is insufficient to overcome the obviousness rejections of claims 17-22,24-32.

2. Claims 17-22,24-32 are rejected under 35 U.S.C. 103(a) as being unpatentable over US 5,981,063 to Yokozeki et al and US 6,149,927 to Ghosh as set forth in the previous office action.

***Arguments***

3. Applicant has not disputed that the relied on prior art combination teaches the claimed structure. Additionally, Applicant does not dispute Examiner's contention that claimed properties of wash durability would have been obvious if not inherent at the time of the invention to the relied on art combination.

Applicant argues that the prior art fails to teach the problems solved by the claimed invention, and in particular that the relied on prior art fails to recognize the problem of providing a substrate having a metal-containing finish which is more durable to multiple laundering cycles. However, the fact that applicant has recognized another advantage which would flow naturally from following the suggestion of the prior art cannot be the basis for patentability when the differences would otherwise be obvious. See *Ex parte Obiaya*, 227 USPQ 58, 60 (Bd. Pat. App. & Inter. 1985).

**Conclusion**

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
